The details of the Year End-Board Examination/ Internal Assessment/School Based Assessment for the academic year 2020-21, shall be reflected in the Curriculum document to be published by the Board. The curriculum document shall be made available to all the schools by April 2019. This circular is being issued in advance to enable schools to prepare for implementing the few proposed changes from next academic session (2020-21) onwards.

Schools are also hereby informed that the Board is preparing detailed guidelines on how Art can be integrated with the teaching learning process at all levels. This is a part of the Board's thrust on innovative pedagogy, that will go a long way in achieving the process of 'assessment as learning'. These guidelines are being issued separately.
